Why volunteer?

Not only is volunteering fantastic for your community, volunteering can be just as incredible for you! Offering **new skills, valuable work experience, and a sense of connection to others in the community.**

Whether you want to enhance your CV, gain new skills and knowledge or give something back to your community, our volunteer roles come with **full training** to help our clients in Ipswich overcome problems such as **benefits, money problems, family issues and employment.**

The right advice can change someone's life and you could make a real difference.

How do I apply?

By visiting our website **<https://www.citizensadviceipswich.org.uk>**

To apply, please download our Volunteer Application Pack which includes role descriptions and an application form. Completed application forms can be returned either by email to **training@ipswichcab.org.uk** or by dropping them in to our office. If you have any questions about volunteering with us, you can speak to our training team on **01473 298 639** or by email.

There are many volunteer roles that we recruit for such as **advisers, admin support, research and campaigns support, media and social media support.** So whatever your skillset is, we would love to hear from you!
